**Re: United States v. Pauline Beckham, 16-cr-265 (JMF)**

Judge Furman:

The Government respectfully writes in response to the Court's inquiry about the need for the status conference in the above-referenced matter, currently scheduled for September 14, 2020. The Government has conferred with Ms. Beckham's attorney, Robert Baum, Esq., and the Probation Office and all parties concur that the conference should be adjourned. Ms. Beckham is currently enrolled at an inpatient drug-treatment facility, and she is scheduled to remain at that facility for the next three months. Accordingly, the parties and Probation respectfully request that the Court adjourn the September 14 conference to early January, or such time as is convenient for the Court, so Ms. Beckham does not need to leave inpatient drug treatment before completing the program.

Respectfully submitted,

AUDREY STRAUSS  
Acting United States Attorney

Application GRANTED. The conference is hereby  
ADJOURNED to January 11, 2021, at 2:30 p.m. The Clerk  
of Court is directed to terminate Doc. #23. SO ORDERED.
